Dear Client:

We're providing this engagement letter to confirm our understanding of the terms and objectives of our tax return engagement and the nature and limitations of the services provided to you. If you agree, please sign and return this letter. You also may want to retain a copy for your records.

Services Provided

We will prepare your federal individual income tax return and extension (if applicable) for calendar year 2022 from data you furnish. We will not go through and verify each value used in your tax returns. Therefore, before filing, you should review the information relative to income, deductions, and credits to determine that there are no omissions or misstatements.

Where tax law is unclear or where there may be conflicts between the taxing authorities interpretations of the law and other supportable positions, we will use our judgment in resolving questions. Unless otherwise instructed by you in writing, we will resolve such questions in your favor, whenever possible.

Services Not Provided

While we are of course available to provide you with tax or business planning services, it is our policy to put all advice on which a client might rely into writing in the form of a tax planning letter or formal tax memo. We believe this is necessary to avoid confusion and to make clear the specific nature of our advice. You should not rely on any advice that has not been put into such a form. In particular, you should not rely on oral discussions, telephone calls, email messages, or voice mail messages as tax or business planning advice.

We will not audit or otherwise verify the data you or people working for you submit. Accordingly, our engagement cannot be relied on to disclose errors, fraud, or other illegal acts that may exist. Our engagement ends upon delivery of the tax return. Any follow-up services that might be required (such as representing you in an IRS audit) will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

Limitations of Liability

You agree that our maximum liability for any negligent errors or omissions committed by us in the performance of this or any other engagement will be limited to the amount of our fees for this engagement, except to the extent determined to result from our gross negligence or willful misconduct.

Because there are inherent difficulties in recalling or preserving information after an engagement ends, you agree that, notwithstanding the statute of limitations of the State of Washington, any claim based on this or any other engagement must be filed within 24 months after the performance of our service, unless you have previously provided us with written notice of a specific deficit in our services that forms the basis of the claim.

Estimated Fees and Costs

We will bill you our normal and customary fees for the tax preparation services you require, which are determined largely by the time we spend working on your returns. Accordingly, you save expense if you can provide complete, accurate, and organized accounting records. We anticipate fees will rise by seven percent as compared to the previous year's fees if the returns are similar to cover the inflation-driven change in our operating costs.

The fee is due and payable upon completion of the work. If you find that you are unable to pay the complete invoice by the due date, please know that we are often able to provide more lenient payment terms. To make such arrangements, however, please discuss this option in advance of our beginning work.

Finally, we will notify you immediately of any circumstances we encounter that could significantly affect our initial estimate of total fees.

If this letter expresses your understanding, please sign it where indicated and return it to us.

Sincerely,

Stephen L. Nelson, CPA
